GÉOMÈTRES PROFESSIONNELS DU CANADA

P.SURV

Exclusive Member Benefits

Just some of the Exclusive Benefits of being a PSC Member..

Professional Surveyors Canada (PSC) advances the influence, relevance and value of the professional surveyor by advocating on behalf of our members and the profession, promoting the importance of the profession to the public and supporting our members.

PSURV

The P. Surv Designation – PSC Members who display their P. Surv designation benefit instantly by receiving national recognition as a professional in the Canadian Land Surveying Industry.

The PSC Network – Professional Surveyors Canada makes up an extensive network of Professional Surveyors across the country and through our international partnerships in the USA, Australia and Spain. The exchange of information and knowledge shared among peers and experts provides tremendous value in our rapidly changing profession.

Industry Representation & Advocacy – Members have an active voice on the top issues affecting the profession. PSC is in regular contact with government officials and regulatory authorities to build relationships, engage in dialogue and advocate with "one voice" on behalf of the profession.

Promotion of the Surveying Profession - Through a variety of media, PSC promotes the importance, value and relevance of the Surveying Profession to key stakeholder groups. PSC members abide by a code of ethics and the highest professional standards and in so doing are recognized as reputable and responsible Surveyors by the public

Promotion of the Member – WEBMAP – www.psurv.ca is a members only interactive map of Canada that lists members place of business to drive traffic of those looking for Surveying services to members' businesses

Professional Development, Career & Employee Attraction Tools – Stay current and informed throughout the year and at the annual Conference with preferred rates for webinars and training. Access job boards and post positions to enhance your own career or hire the best for your team.

Professional Liability Insurance Program – Designed specifically for professional land surveyors, benefit from coverage that responds to and defends surveyors from damages resulting from the performance of professional services.

P. Surv Magazine – The PSC is the proud publisher of the national publication for the survey community. Members are eligible for reduced advertising rates and are regularly contacted to contribute articles or to offer insights and expertise on national and regional news.

Affinity Partners Program – Coming Soon.. Exclusively for PSC members, this program will offer preferred rates and specialized products and services from key suppliers and service providers to the Survey Industry. Only PSC members get to pick the Partners!!

Members Only Webinar Series – PSC members have exclusive access to industry leaders and experts in all facets of the Surveying Profession. From technical seminars to expert panel discussions on the top issues, PSA's webinars will be available both live and On Demand.
