MEMBERSHIP

Joining Professional Surveyors Canada ('PSC') helps support your industry through services and initiatives that your Provincial regulator cannot provide. PSC advances the influence, relevance, and value of the professional surveyor by:

- Advocating on behalf of our members and the profession
- Promoting the importance of the profession to the public
- Supporting our members through membership services and benefits.

PROFESSIONAL LIABILITY INSURANCE PROGRAM

Designed for and managed by professional surveyors, this coverage protects against liability and litigious claims. Protect your company and your employees with the most comprehensive insurance available to Land Surveyors.

ADVOCACY

PSC acts on national issues that affect surveyors and the future of our industry. A Corporate Membership shows your commitment to raising awareness, educating the public, and promoting the land surveying profession.

WEBMAP - P.SURV.CA

Give the public the ability to find your companies services on an interactive map. With a Corporate Membership, your Company's logo will be present on the WebMap, helping you stand out!

P.SURV DESIGNATION

A Corporate Membership allows the Company/Firm to accept the trademark agreement on behalf of their employees which permits usage of the P.Surv designation.

P.SURV MAGAZINE

P.Surv Magazine is a professional nationwide magazine, intended to engage, inform and entertain the surveying industry, industry partners, and parallel markets. As a Corporate Member, receive a 20% discount and prominent positioning in the P.Surv Magazine.

PROFESSIONAL DEVELOPMENT

Connect with members from across Canada, post job opportunities, and participate in industry-related forums and discussions. As a PSC member, you can contribute to the many initiatives that are important to our profession.
