PROFESSIONAL SURVEYORS CANADA
GÉOMÈTRES PROFESSIONNELS DU CANADA

PSC Company Membership

MEMBERSHIP MEANS BENEFITS...

Professional Surveyors Canada (PSC) is Canada's National Surveyor Association representing the Surveying Industry. We are a member-focused, Not-for-Profit governed by a Board of Directors from across Canada. PSC is uniquely positions to engage surveyors nationally, offering "National Association" type member services that Provincial Regulators cannot. A strong PSC makes for a strong Canadian Surveying Industry.

By joining Professional Surveyors Canada as a Company Member, your employees will receive benefits specifically tailored for surveyors, while you help support our industry.

ANNUAL FEES BREAKDOWN:

PSC MEMBER BENEFITS INCLUDE:

P.SURV DESIGNATION: A Corporate Membership allows your Company/Firm to accept the trademark agreement on behalf of their employees (Registered Surveyors) permitting their use of the P.Surv Designation to benefit from national recognition as a Professional Land Surveyor.

PROFESSIONAL LIABILITY INSURANCE PROGRAM (PLIC): Designed for and managed by Professional Land Surveyors, your staff will be protected against liability and litigious claims. Protect your company and your employees with the most comprehensive insurance available to land Surveyors.

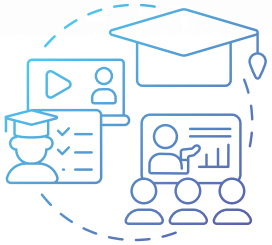
PSC'S WEBMAP: P.Surv.ca: Put your company on the Map!! Webmap.ca is a "Members Only" interactive map of Canada that Pins each member's place of business to help drive customers (and employees) to your company through the "Find a Surveyor in your Area" search engine.

INDUSTRY REPRESENTATION & ADVOCACY: Have your voice heard. PSC has an active voice on the top issues affecting the Surveying Industry. Our Corporate Members benefit directly from PSC's regular engagement with government and regulatory officials and the media as we build relationships and direct attention to Surveying issues.

PROMOTION OF THE INDUSTRY: Through a variety of media, PSC promotes the importance and value of the Surveying Industry to key stakeholder groups and the public. PSC members abide by a Code of Ethics and exhibit the highest professional standards and are recognized as being reputable and responsible Surveyors to the public.

THE PSC NETWORK: Professional Surveyors Canada makes up an extensive network of Professional Surveyors across Canada, and through our international partnerships, the USA, Australia and Spain. The exchange of knowledge and best practices shared among peers and experts provides tremendous value in our rapidly changing industry.

AFFINITY PARTNERS: Exclusively for PSC Members – This program offers preferred rates and specialized products and services from top suppliers to the Surveying Industry.



EDUCATION PARTNERS: Professional development, Career tools and Employee Attraction tools are three of the most sought-after offerings from PSC. Ensure your teams stay current and informed throughout the year and at the Annual National Surveyors Conference (NSC) with preferred rates on education and training. Access the PSC Job Boards to post positions and hire the best teams.
